780 Notwithstanding this section, section 46 or any other general or special law to the
781 contrary, the department may convey, or lease for a term not to exceed 198 years, air rights
782 within the parcel known as Massachusetts Turnpike Parcel 15 to the designated developer of that

786 department’s ownership of the turnpike roadway and adjacent rail tracks and air space above the
787 roadway and rail tracks as considered necessary and desirable by the department for its
788 transportation purposes. Any such sale or lease may include air rights above streets owned by
789 the department that adjoin the parcel and the department may grant a developer or its nominee
790 rights and easements to install and maintain foundations, walls and other appurtenances below

791 the air rights so conveyed or leased, all on such terms and conditions as the secretary of
792 transportation or general counsel deems necessary or desirable. Any such sale or lease shall be

804 are necessary or desirable. The developer or its nominee shall be obligated to take such premises
805 "as is, where is" with all existing site conditions, including existing environmental conditions. If
806 the department of transportation completes such a sale or extended lease and if the developer's
807 mandatory inclusionary development policy contribution in combination with available
808 commonwealth funding is insufficient to construct 1 or more viable projects totaling a minimum
809 of 51,840 square feet of affordable housing within the geographic area established in clause (iv),
810 the department of transportation shall transfer an amount of up to 20 per cent of the sale or lease

960 (4) The secretary of labor and workforce development, in consultation with the
961 commissioner, shall promulgate regulations establishing an application process for the credit;
962 provided, however, that the regulations shall include a maximum number of qualified apprentices
963 for which a taxpayer may claim the credit in a year.

964 (5) The credit under this subsection shall be attributed on a pro rata basis to the owners,
965 partners or members of the legal entity entitled to the credit under this subsection, and shall be
966 allowed as a credit against the tax due under this chapter of such owners, partners or members, in
967 a manner determined by the commissioner.

968 (6) The secretaries of labor and workforce development and administration and finance,
969 acting jointly and in writing shall authorize tax credits pursuant to this subsection and section
970 38HH of chapter 63. The total amount of credits that may be authorized in a calendar year
971 pursuant to this subsection and said section 38HH of said chapter 63 shall not exceed
972 \$2,500,000. No credits shall be allowed under this subsection except to the extent authorized in
973 this paragraph. The commissioner, after consulting with the secretaries, on the criteria set forth in
974 paragraphs (1) and (2) of this subsection, shall adopt regulations governing applications for and
975 other administration of the tax credits. The secretaries and the division of apprentice standards
976 shall provide the commissioner with the documentation that the commissioner deems necessary
977 to confirm compliance with the annual cap.

978 (7) The commissioner, in consultation with the secretaries, shall annually, not later than
979 March 1, file a report with the house and senate committees on ways and means, the joint
980 committee on economic development and emerging technologies, and the joint committee on
981 labor and workforce development, identifying the following: (i) total amount of tax credits
982 claimed pursuant to this subsection; (ii) the number of participating apprentices and relevant
983 wage information; (iii) the number of applications received and the number of participating
984 employers; (iv) the areas of occupation by qualifying tax credit beneficiaries; (v) program
985 outcomes for apprentices, including job retention and further employment opportunities; and (vi)
986 whether the tax credit program is achieving its public policy purpose to create talent pipelines for
987 businesses and provide career pathways toward high demand occupations for unemployed and
988 underemployed residents of the commonwealth.

989 SECTION 15. Subsection (v) of said section 6 of said chapter 62, added by section 14, is
990 hereby repealed.

991 SECTION 16. Section 38O of said chapter 63, as appearing in the 2016 Official Edition,
992 is hereby amended by striking out, in lines 4 to 5, the words “either located within an economic
993 target area designated under section 3G of chapter 23A, or”.

998 credit against its excise due under this chapter in an amount equal to \$4,800 or 50 per cent of the
999 wages paid to each qualified apprentice in a taxable year, whichever is less. If a credit allowed
1000 by this section exceeds the tax otherwise due under this chapter, 100 per cent of the balance of
1001 such credit may, at the option of the taxpayer, be refundable to the taxpayer. In order to qualify,
1002 the apprentice must meet the definition of apprentice in section 11H of chapter 23 and must be

1011 the apprentice must be in the commonwealth; (ii) the business corporation must be registered
1012 with the division of apprentice standards as an apprenticeship program sponsor and have an

1013 apprentice agreement, as defined in section 11H of chapter 23, with each apprentice for whom
1014 the credit is claimed; and (iii) the apprentice must have been employed by the business
1015 corporation as an apprentice for at least 180 calendar days in the taxable year in which the credit
1016 is claimed.

1017 (c) A business corporation that is eligible for and claims the credit allowed under this
1018 section in a taxable year with respect to a qualified apprentice shall be eligible for a credit in the
1019 subsequent taxable year with respect to such qualified apprentice, subject to certification by the
1020 division of apprentice standards of continued employment as an apprentice during the subsequent
1021 taxable year in the manner required by the commissioner. Any credit allowed under this section
1022 shall not be transferable.

1023 (d) The secretary of labor and workforce development, in consultation with the
1024 commissioner, shall promulgate regulations establishing an application process for the credit;
1025 provided, however, that the regulations shall include a maximum number of qualified apprentices
1026 for which a taxpayer may claim the credit in a year.

1027 (e) The secretaries of labor and workforce development and administration and finance,
1028 acting jointly and in writing shall authorize tax credits pursuant to this section and subsection (v)
1029 of section 6 of chapter 62. The total amount of credits that may be authorized in a calendar year
1030 pursuant to this section and said subsection (v) of said section 6 of said chapter 62 shall not
1031 exceed \$2,500,000. No credits shall be allowed under this section except to the extent authorized
1032 in this subsection. The commissioner, after consulting with the secretaries, on the criteria set
1033 forth in subsections (a) and (b) of this section, shall adopt regulations governing applications for
1034 and other administration of the tax credits. The secretaries and the division of apprentice

1035 standards shall provide the commissioner with the documentation that the commissioner deems
1036 necessary to confirm compliance with the annual cap.

1037 (f) The commissioner, in consultation with the secretaries, shall annually, not later than
1038 March 1, file a report with the house and senate committees on ways and means, the joint
1039 committee on economic development and emerging technologies, and the joint committee on
1040 labor and workforce development, identifying the following: (i) total amount of tax credits
1041 claimed pursuant to this subsection; (ii) the number of participating apprentices and relevant
1042 wage information; (iii) the number of applications received and the number of participating
1043 employers; (iv) the areas of occupation by qualifying tax credit beneficiaries; (v) program
1044 outcomes for apprentices, including job retention and further employment opportunities; and (vi)
1045 whether the tax credit program is achieving its public policy purpose to create talent pipelines for
1046 businesses and provide career pathways toward high demand occupations for unemployed and
1047 underemployed residents of the commonwealth.

1048 SECTION 18. Section 38HH of said chapter 63, inserted by section 17, is hereby
1049 repealed.

1050 SECTION 19. Chapter 93 of the General Laws is hereby amended by striking out
1051 sections 42 and 42A, as appearing in the 2016 Official Edition, and inserting in place thereof the
1052 following 8 sections:-

1053 Section 42. As used in this section and in sections 42A to 42G, inclusive, the following
1054 words, shall unless the context clearly requires otherwise, have the following meanings:

1055 (1) "Improper means", includes, without limitation, theft, bribery, misrepresentation,
1056 unreasonable intrusion into private physical or electronic space, or breach or inducement of a

1057 breach of a confidential relationship or other duty to limit acquisition, disclosure or use of
1058 information; reverse engineering from properly accessed materials or information is not
1059 improper means.

1060 (2) "Misappropriation",

1061 (i) an act of acquisition of a trade secret of another by a person who knows or who has
1062 reason to know that the trade secret was acquired by improper means; or

1063 (ii) an act of disclosure or of use of a trade secret of another without that person's express
1064 or implied consent by a person who

1065 (A) used improper means to acquire knowledge of the trade secret or

1066 (B) at the time of the actor's disclosure or use, knew or had reason to know that the
1067 actor's knowledge of the trade secret was

1068 (I) derived from or through a person who had utilized improper means to acquire it;

1069 (II) acquired under circumstances giving rise to a duty to limit its acquisition, disclosure,
1070 or use; or

1071 (III) derived from or through a person who owed a duty to the person seeking relief to
1072 limit its acquisition, disclosure, or use; or

1073 (C) before a material change of the actor's position, knew or had reason to know that it
1074 was a trade secret and that the actor's knowledge of it had been acquired by accident, mistake, or
1075 through another person's act described in clause (A) of paragraph (ii) or subclauses (I) or (II) of
1076 clause (B) of said paragraph (ii) of the definition of Misappropriation.

1077 (3) "Person", a natural person, corporation, business trust, estate, trust, partnership,
1078 association, joint venture, government, governmental subdivision or agency, or any other legal or
1079 commercial entity.

1080 (4) "Trade secret", specified or specifiable information, whether or not fixed in tangible
1081 form or embodied in any tangible thing, including but not limited to a formula, pattern,
1082 compilation, program, device, method, technique, process, business strategy, customer list,
1083 invention, or scientific, technical, financial or customer data that

1084 (i) at the time of the alleged misappropriation, provided economic advantage, actual or
1085 potential, from not being generally known to, and not being readily ascertainable by proper
1086 means by, others who might obtain economic advantage from its acquisition, disclosure or use;
1087 and

1088 (ii) at the time of the alleged misappropriation was the subject of efforts that were
1089 reasonable under the circumstances, which may include reasonable notice, to protect against it
1090 being acquired, disclosed or used without the consent of the person properly asserting rights
1091 therein or such person's predecessor in interest.

1092 Section 42A. (a) Actual or threatened misappropriation may be enjoined upon principles
1093 of equity, including but not limited to consideration of prior party conduct and circumstances of
1094 potential use, upon a showing that information qualifying as a trade secret has been or is
1095 threatened to be misappropriated. Upon application to the court, an injunction shall be
1096 terminated when the trade secret has ceased to exist, but the injunction may be continued for an
1097 additional reasonable period of time in order to eliminate any economic advantage that otherwise
1098 would be derived from misappropriation.

1099 (b) In exceptional circumstances, an injunction may condition future use upon payment
1100 of a reasonable royalty for no longer than the period of time for which use could have been
1101 prohibited. Exceptional circumstances include, but are not limited to, a material and prejudicial
1102 change of position prior to acquiring knowledge or reason to know of misappropriation that
1103 renders a prohibitive injunction inequitable.

1104 (c) In appropriate circumstances, affirmative acts to protect a trade secret may be
1105 compelled by court order.

1106 Section 42B. (a) Except to the extent that a material and prejudicial change of position
1107 prior to acquiring knowledge or reason to know of misappropriation renders a monetary recovery
1108 inequitable, a complainant is entitled to recover damages for misappropriation of information
1109 qualifying as a trade secret. Damages can include both the actual loss caused by
1110 misappropriation and the unjust enrichment caused by misappropriation that is not taken into
1111 account in computing actual loss. In lieu of damages measured by any other methods, the
1112 damages caused by misappropriation may be measured by the imposition of liability for a
1113 reasonable royalty for a misappropriator's unauthorized disclosure or use of a trade secret.

1114 (b) If willful and malicious misappropriation exists, the court may award exemplary
1115 damages in an amount not exceeding twice any award made under subsection (a).

1116 Section 42C. The court may award reasonable attorney's fees and costs to the prevailing
1117 party if: (i) a claim of misappropriation is made or defended in bad faith, (ii) a motion to enter or
1118 to terminate an injunction is made or resisted in bad faith, or (iii) willful and malicious
1119 misappropriation exists. In considering such an award, the court may take into account the

1120 claimant's specification of trade secrets and the proof that such alleged trade secrets were
1121 misappropriated.

1122 Section 42D. (a) In an action under sections 42 to 42G, inclusive, a court shall preserve
1123 the secrecy of an alleged trade secret by reasonable means, which may include granting
1124 protective orders in connection with discovery proceedings, holding in-camera hearings, sealing
1125 the records of the action, and ordering any person involved in the litigation not to disclose an
1126 alleged trade secret without prior court approval.

1127 (b) In an action under sections 42 to 42G, inclusive, in alleging trade secrets
1128 misappropriation a party must state with reasonable particularity the circumstances thereof,
1129 including the nature of the trade secrets and the basis for their protection. Before commencing
1130 discovery relating to an alleged trade secret, the party alleging misappropriation shall identify the
1131 trade secret with sufficient particularity under the circumstances of the case to allow the court to
1132 determine the appropriate parameters of discovery and to enable reasonably other parties to
1133 prepare their defense.

1134 Section 42E. An action for misappropriation must be brought within 3 years after the
1135 misappropriation is discovered or by the exercise of reasonable diligence should have been
1136 discovered. For the purposes of sections 42 to 42G, inclusive, a continuing disclosure or use
1137 constitutes a single claim.

1138 Section 42F. (a) Except as provided in subsection (b), sections 42 to 42G, inclusive, shall
1139 supersede any conflicting laws of the commonwealth providing civil remedies for the
1140 misappropriation of a trade secret.

1141 (b) Sections 42 to 42G, inclusive, do not affect:

1142 (1) contractual remedies, provided that, to the extent such remedies are based on an
1143 interest in the economic advantage of information claimed to be confidential, such
1144 confidentiality shall be determined according to the definition of trade secret in section 42, where
1145 the terms and circumstances of the underlying contract shall be considered in such
1146 determination;

1147 (2) remedies based on submissions to governmental units;

1148 (3) other civil remedies to the extent that they are not based upon misappropriation of a
1149 trade secret; or

1150 (4) criminal remedies, whether or not based upon misappropriation of a trade secret.

1151 Section 42G. Sections 42 to 42F, inclusive, shall be applied and construed to effectuate
1152 their general purpose to make uniform the law with respect trade secrets.

1153 SECTION 20. The General Laws are hereby amended by inserting after chapter 93K the
1154 following chapter:-

1155 CHAPTER 93L.

1156 BAD FAITH ASSERTIONS OF PATENT INFRINGEMENT.

1158 requires otherwise, have the following meanings:-

1162 customers of a target; or (iv) a claim or allegation, other than those made in litigation against a

1164 patent in order to avoid litigation.

1165 “Demand letter”, a letter, e-mail or other communication asserting, alleging or claiming
1166 that the target has engaged in patent infringement or that a target should obtain a license to a
1167 patent in order to avoid litigation, or any similar assertion.

1168 “Target”, a person residing in, conducting substantial business in or having its principal
1169 place of business in Massachusetts against whom an assertion of patent infringement is made.

1170 Section 2. (a) A person shall not make an assertion of patent infringement in bad faith. In
1171 determining whether a person has made an assertion of patent infringement in bad faith, and in
1172 addition to any other factor the court finds relevant, a court may consider whether:

1173 (i) the demand letter failed to contain the following information: (A) the patent number;
1174 (B) the name and address of the patent owner or owners and assignee or assignees, if any; and
1175 (C) factual allegations concerning the specific areas in which the target’s products, services and
1176 technology infringe the patent or are covered by the claims in the patent;

1177 (ii) prior to sending the demand letter, the person failed to conduct an analysis comparing
1178 the claims in the patent to the target’s products, services and technology, or whether such an
1179 analysis failed to identify specific areas in which the products, services and technology are
1180 covered by the claims in the patent;

1181 (iii) the target requested information described in clause (i) that was not included in the
1182 demand letter and the person failed to provide the information within a reasonable period of
1183 time;

1184 (iv) the demand letter demanded payment of a license fee or response within an
1185 unreasonably short period of time;

1186 (v) the person offered to license the patent for an amount that is not based on a reasonable
1187 estimate of the value of the license;

1188 (vi) the claim or assertion of patent infringement was meritless and the person knew, or
1189 should have known, that the claim or assertion was meritless;

1190 (vii) the claim or assertion of patent infringement was deceptive;

1191 (viii) the person or its subsidiaries or affiliates have previously filed or threatened to file
1192 one or more lawsuits based on the same or similar claim of patent infringement and: (A) those
1193 threats or lawsuits lacked the information described in clause (i); or (B) the person attempted to
1194 enforce the claim of patent infringement in litigation and a court found the claim to be meritless;
1195 and

1196 (ix) the patent has been held invalid or unenforceable in a final judgment or
1197 administrative decision.

1198 (b) A court may consider the following factors as evidence that a person has not made an
1199 assertion of patent infringement in bad faith: (i) the demand letter contained the information
1200 described in clause (i) of subsection (a); (ii) the target requested such information described in
1201 clause (i) of subsection (a) that was not included in the demand letter and the person provided the

1202 information within a reasonable period of time; (iii) the person engaged in a good faith effort to
1203 establish that the target has infringed the patent and to negotiate an appropriate remedy; (iv) the
1204 person made a substantial investment in the use of the patent or in the production or sale of a
1205 product or item covered by the patent; (v) the person is: (A) the inventor or joint inventor of the
1206 patent or, in the case of a patent filed by and awarded to an assignee of the original inventor or
1207 joint inventor, is the original assignee; (B) an institution of higher education or a technology
1208 transfer organization owned or affiliated with an institution of higher education; or (C) a non-
1209 profit research institute or organization which has as one of its primary functions the
1210 management of inventions on behalf of an institute of higher education or a non-profit research
1211 institute or organization; (vi) the person makes significant investments in: (A) research and
1212 development in connection with the patented technology, where development means technical or
1213 experimental work to create, test, qualify, modify or validate technologies or processes for
1214 commercialization of goods or services; (B) manufacturing; or (C) the delivery or provision of
1215 goods or commercial services using the patented technology; and (vii) the person's business is
1216 the licensing of patents as a wholly-owned subsidiary of a person described in clause (vi).

1217 Section 3. (a) A target or a person aggrieved by a violation of this chapter or by a
1218 violation of rules adopted under this chapter may bring an action in superior court against a
1219 person who has made a bad-faith assertion of patent infringement. The court may award to a
1220 plaintiff who prevails in an action brought pursuant to this subsection 1 or more of the following
1221 remedies: (i) equitable relief; (ii) damages; (iii) costs and fees, including reasonable attorneys'
1222 fees; and (iv) exemplary damages in an amount equal to \$50,000 or 3 times the total of damages,
1223 costs, and fees, whichever is greater; provided, however, that exemplary damages shall not be

1224 awarded against a person described in subclause (B) or (C) of clause (v) of section 2 or clause
1225 (vi) of subsection (b) of said section 2.

1226 (b) Any person who by contract, agreement, or otherwise, directly or indirectly, arranged
1227 for the bad faith assertion of patent infringement and any person who otherwise caused or is
1228 legally responsible for such bad faith assertion of patent infringement under the principles of the
1229 common law shall be liable to a prevailing plaintiff for all damages, costs and fees. Such
1230 liability shall be joint and several.

1231 (c) A court may award to a defendant who prevails in an action brought pursuant to this
1232 section costs and fees, including reasonable attorneys' fees, if the court finds the action was not
1233 well-grounded in fact and warranted by existing law or was interposed for any improper purpose,
1234 such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

1235 (d) This chapter shall not be construed to limit rights and remedies otherwise available
1236 under law to the commonwealth or to any person.

1237 Section 4. The attorney general shall have the same authority under this chapter to make
1238 rules, conduct civil investigations, bring civil actions and enter into assurances of discontinuance
1239 as provided under chapter 93A. In an action brought by the attorney general pursuant to this
1240 section, the court may award or impose any relief available under this chapter.

1241 SECTION 21. Chapter 149 of the General Laws, as appearing in the 2014 Official
1242 Edition, is hereby amended by inserting after section 24K the following section:-

1243 Section 24L. (a) As used in this section, the following words shall have the following
1244 meanings:-

1245 “Business entity”, any person or group of persons performing or engaging in any activity,
1246 enterprise, profession or occupation for gain, benefit, advantage or livelihood, whether for profit
1247 or not for profit, including but not limited to corporations, limited liability companies, limited
1248 partnerships or limited liability partnerships.

1249 “Employee”, an individual who is considered an employee under section 148B of this
1250 chapter; provided, however, that the term “employee”, as used in this chapter, shall also include
1251 independent contractors under section 148B.

1252 “Forfeiture agreement”, an agreement that imposes adverse financial consequences on a
1253 former employee as a result of the termination of an employment relationship, regardless of
1254 whether the employee engages in competitive activities following cessation of the employment
1255 relationship. Forfeiture agreements do not include forfeiture for competition agreements.

1256 “Forfeiture for competition agreement”, an agreement that by its terms or through the
1257 manner in which it is enforced imposes adverse financial consequences on a former employee as
1258 a result of the termination of an employment relationship if the employee engages in competitive
1259 activities.

1260 “Garden leave clause”, a provision within a noncompetition agreement by which an
1261 employer agrees to pay the employee during the restricted period, provided that such provision
1262 shall become effective upon termination of employment unless the restriction upon post-
1263 employment activities are waived by the employer or ineffective under subsection (c) (iii).

1264 “Noncompetition agreement”, an agreement between an employer and an employee, or
1265 otherwise arising out of an existing or anticipated employment relationship, under which the
1266 employee or expected employee agrees that he or she will not engage in certain specified

1267 activities competitive with his or her employer after the employment relationship has ended.
1268 Noncompetition agreements include forfeiture for competition agreements, but do not include: (i)
1269 covenants not to solicit or hire employees of the employer; (ii) covenants not to solicit or transact
1270 business with customers, clients, or vendors of the employer; (iii) noncompetition agreements
1271 made in connection with the sale of a business entity or substantially all of the operating assets of
1272 a business entity or partnership, or otherwise disposing of the ownership interest of a business
1273 entity or partnership, or division or subsidiary thereof, when the party restricted by the
1274 noncompetition agreement is a significant owner of, or member or partner in, the business entity
1275 who will receive significant consideration or benefit from the sale or disposal; (iv)
1276 noncompetition agreements outside of an employment relationship; (v) forfeiture agreements;
1277 (vi) nondisclosure or confidentiality agreements; (vii) invention assignment agreements; (viii)
1278 garden leave clauses; (ix) noncompetition agreements made in connection with the cessation of
1279 or separation from employment if the employee is expressly given seven business days to rescind
1280 acceptance; or (x) agreements by which an employee agrees to not reapply for employment to
1281 the same employer after termination of the employee.

1282 “Restricted period”, the period of time after the date of cessation of employment during
1283 which an employee is restricted by a noncompetition agreement from engaging in activities
1284 competitive with his or her employer.

1285 (b) To be valid and enforceable, a noncompetition agreement must meet the minimum
1286 requirements of paragraphs (i) through (viii).

1287 (i) If the agreement is entered into in connection with the commencement of employment,
1288 it must be in writing and signed by both the employer and employee and expressly state that the

1289 employee has the right to consult with counsel prior to signing. The agreement must be provided
1290 to the employee by the earlier of a formal offer of employment or 10 business days before the
1291 commencement of the employee's employment.

1292 (ii) If the agreement is entered into after commencement of employment but not in
1293 connection with the separation from employment, it must be supported by fair and reasonable
1294 consideration independent from the continuation of employment, and notice of the agreement
1295 must be provided at least 10 business days before the agreement is to be effective. Moreover, the
1296 agreement must be in writing and signed by both the employer and employee and expressly state
1297 that the employee has the right to consult with counsel prior to signing.

1298 (iii) The agreement must be no broader than necessary to protect one or more of the
1299 following legitimate business interests of the employer: (A) the employer's trade secrets, as that
1300 term is defined in section 1 of chapter 93L; (B) the employer's confidential information that
1301 otherwise would not qualify as a trade secret; or (C) the employer's goodwill. A noncompetition
1302 agreement may be presumed necessary where the legitimate business interest cannot be
1303 adequately protected through an alternative restrictive covenant, including but not limited to a
1304 non-solicitation agreement or a non-disclosure or confidentiality agreement.

1305 (iv) In no event may the stated restricted period exceed 12 months from the date of
1306 cessation of employment, unless the employee has breached his or her fiduciary duty to the
1307 employer or the employee has unlawfully taken, physically or electronically, property belonging
1308 to the employer, in which case the duration may not exceed 2 years from the date of cessation of
1309 employment.

1310 (v) The agreement must be reasonable in geographic reach in relation to the interests
1311 protected. A geographic reach that is limited to only the geographic areas in which the employee,
1312 during any time within the last 2 years of employment, provided services or had a material
1313 presence or influence is presumptively reasonable.

1314 (vi) The agreement must be reasonable in the scope of proscribed activities in relation to
1315 the interests protected. A restriction on activities that protects a legitimate business interest and
1316 is limited to only the specific types of services provided by the employee at any time during the
1317 last 2 years of employment is presumptively reasonable.

1318 (vii) The noncompetition agreement shall be supported by a garden leave clause or other
1319 mutually-agreed upon consideration between the employer and the employee, provided that such
1320 consideration is specified in the noncompetition agreement. To constitute a garden leave clause
1321 within the meaning of this section, the agreement must (i) provide for the payment, consistent
1322 with the requirements for the payment of wages under section 148 of chapter 149 of the general
1323 laws, on a pro-rata basis during the entirety of the restricted period, of at least 50 percent of the
1324 employee's highest annualized base salary paid by the employer within the 2 years preceding the
1325 employee's termination; and (ii) except in the event of a breach by the employee, not permit an
1326 employer to unilaterally discontinue or otherwise fail or refuse to make the payments; provided,
1327 however, if the restricted period has been increased beyond 12 months as a result of the
1328 employee's breach of a fiduciary duty to the employer or the employee has unlawfully taken,
1329 physically or electronically, property belonging to the employer, the employer shall not be
1330 required to provide payments to the employee during the extension of the restricted period.

1331 (viii) The agreement must be consonant with public policy.

1332 (c) A noncompetition agreement shall not be enforceable against the following types of
1333 workers: (i) an employee who is classified as nonexempt under the Fair Labor Standards Act, 29
1334 U.S.C. 201-219; (ii) undergraduate or graduate students that partake in an internship or otherwise
1335 enter a short-term employment relationship with an employer, whether paid or unpaid, while
1336 enrolled in a full-time or part-time undergraduate or graduate educational institution; (iii)
1337 employees that have been terminated without cause or laid off; or (iv) employees age 18 or
1338 younger. This section does not render void or unenforceable the remainder of the contract or
1339 agreement containing the unenforceable noncompetition agreement, nor does it preclude the
1340 imposition of a noncompetition restriction by a court, whether through preliminary or permanent
1341 injunctive relief or otherwise, as a remedy for a breach of another agreement or a statutory or
1342 common law duty.

1343 (d) A court may, in its discretion, reform or otherwise revise a noncompetition agreement
1344 so as to render it valid and enforceable to the extent necessary to protect the applicable legitimate
1345 business interests.

1346 (e) No choice of law provision that would have the effect of avoiding the requirements of
1347 this section will be enforceable if the employee is, and has been for at least 30 days immediately
1348 preceding his or her cessation of employment, a resident of or employed in Massachusetts at the
1349 time of his or her termination of employment.

1350 (f) All civil actions relating to employee noncompetition agreements subject to this
1351 section shall be brought in the county where the employee resides or, if mutually agreed upon by
1352 the employer and employee, in Suffolk county; provided that, in any such action brought in

1353 Suffolk county, the superior court or the business litigation session of the superior court shall
1354 have exclusive jurisdiction.

1355 SECTION 22. Said chapter 149 is hereby further amended by adding the following 12
1356 sections:-

1357 Section 192. As used in this section and in sections 193 to 203, inclusive, the following

1360 agreement with a professional employer organization.

1361 “Covered employee”, an individual employed in a PEO relationship where the
1362 individual’s employment is subject to a professional employer agreement; provided, however,
1363 that “covered employee” shall include individuals who are officers, directors, shareholders,
1364 partners and managers of the client, except to the extent the professional employer organization
1365 and the client have expressly agreed in the professional employer agreement that such
1366 individuals shall not be covered employees; provided further, that such individuals meet the
1367 criteria of this paragraph and act as operational managers or perform day-to-day operational
1368 services for the client.

1369 “Director”, the director of the department of labor standards.

1370 “Employment agency”, as defined in section 46A of chapter 140.

1371 “PEO group”, 2 or more professional employer organizations that are majority-owned or
1372 commonly controlled by the same entity, parent or controlling person.

1373 “PEO relationship”, a co-employment relationship, in which all the rights, duties and
1374 obligations of an employer that arise out of an employment relationship have been allocated
1375 between the PEO and the client pursuant to a professional employer agreement; provided,
1376 however, that a staffing agency and an employment agency shall not be a PEO; provided further,
1377 that in a PEO relationship: (i) the professional employer organization shall be entitled to enforce
1378 only such employer rights and is subject to only those obligations allocated in the professional
1379 employment agreement or as specifically required pursuant to section 192 to 203, inclusive; (ii)
1380 the client shall be entitled to enforce those rights, and obligated to provide and perform those
1381 employer obligations, allocated to the client by the written professional employer agreement; (iii)
1382 the client shall be entitled to enforce any right and obligated to perform any obligation of an
1383 employer not specifically allocated to the PEO or section 192 to 203, inclusive; and (iv) neither
1384 the client nor the PEO may delegate duties and responsibilities to the other unless such
1385 delegation is provided in the professional employer agreement and the covered employees are
1386 informed about this delegation of duties and responsibilities.

1387 “Person”, an individual, partnership, corporation, limited liability company, association
1388 or any other form of legally recognized entity.

1389 “Professional employer agreement”, a written contract by and between a client and a
1390 professional employer organization that: (i) provides for the PEO relationship of covered
1391 employees; (ii) allocates employer rights and obligations between the client and the professional
1392 employer organization with respect to the covered employees; and (iii) allocates the
1393 responsibilities between the professional employer organization and the client; provided,
1394 however, that a professional employer agreement shall not affect, modify or amend any

1395 employee rights under federal, state, local or municipal law or abrogate obligations of the client
1396 or the PEO to covered employees under such laws.

1397 “Professional employer organization” or “PEO”, any person engaged in the business of
1398 providing professional employer services who is subject to registration and regulation pursuant
1399 to sections 192 to 203, inclusive, regardless of its use of the term or conducting business as a
1400 professional employer organization staff leasing company, registered staff leasing company,
1401 employee leasing company, administrative employer or any other name; provided, however, that
1402 the following shall not be deemed to be professional employer organizations or providing
1403 professional employment services: (i) arrangements wherein a person, whose principal business
1404 activity is not entering into professional employer arrangements and that does not hold itself out
1405 as a PEO, shares employees with a commonly owned company within the meaning of section
1406 414(b) and section 414(c) of the Internal Revenue Code of 1986, as amended; (ii) independent
1407 contractor arrangements as governed by section 148B; or (iii) services provided by an
1408 employment agency or staffing agency.

1409 “Professional employer services”, the service of entering into PEO relationships in which

1411 the client are covered employees.

1412 “Registrant”, a PEO registered pursuant to section 196.

1413 “Staffing agency”, as defined in section 159C.

1414 “Wages”, shall include all forms of remuneration for employment.

1415 Section 193. (a) Nothing contained in sections 192 to 203, inclusive, or in any
1416 professional employer agreement shall affect, modify or amend any collective bargaining
1417 agreement or the rights or obligations of any client, PEO or covered employee under chapter
1418 150A, chapter 150E, the federal National Labor Relations Act, the federal Railway Labor Act or
1419 any other applicable federal or state law.

1420 (b) Collective bargaining, if commenced after an agreement is entered into between a
1421 PEO and a client, shall be conducted as required by federal and state law.

1422 (c) Nothing in sections 192 to 203, inclusive, or in any professional employer agreement
1423 shall: (i) diminish, abolish or remove rights of covered employees to a client or obligations of
1424 such client to a covered employee existing prior to the effective date of the professional
1425 employer agreement under federal or state law; (ii) affect, modify or amend any contractual
1426 relationship or restrictive covenant between a covered employee and any client in effect at the
1427 time a professional employer agreement becomes effective or prohibit or amend any contractual
1428 relationship or restrictive covenant that is entered into subsequently between a client and a
1429 covered employee; provided, however, that a PEO shall have no responsibility or liability in
1430 connection with, or arising out of, any such existing or new contractual relationship or restrictive
1431 covenant unless the PEO has specifically agreed otherwise in writing; or (iii) affect, modify or
1432 amend any employee rights under federal, state, local or municipal law.

1433 Section 194. (a) Nothing in sections 192 to 203, inclusive, or any professional employer
1434 agreement shall affect, modify or amend any federal, state or local licensing, registration or
1435 certification requirement applicable to any client or covered employee.

1436 (b) A covered employee who is required to be licensed, registered or certified according
1437 to law or regulation shall be deemed solely an employee of the client for purposes of any such
1438 license, registration or certification requirement.

1439 (c) A PEO shall not be engaged in any occupation, trade, profession or other activity that
1440 is subject to licensing, registration or certification requirements or is otherwise regulated by a
1441 government agency solely by entering into and maintaining a PEO relationship with a covered
1442 employee who is subject to such requirements or regulation.

1443 (d) A client shall have the sole right of direction and control of the professional or
1444 licensed activities of covered employees and of the client's business. Covered employees and
1445 clients shall remain subject to regulation by the regulatory or governmental entity responsible for
1446 licensing, registration or certification of such covered employees or clients.

1447 Section 195. (a) For purposes of the determination of tax credits and other economic
1448 incentives provided by the commonwealth or other government entity and based on employment,
1449 covered employees shall be deemed solely the client's employees. A client shall be entitled to the
1450 benefit of any tax credit, economic incentive or other benefit arising as the result of the
1451 employment of covered employees of such client. Notwithstanding that the PEO is the reporting
1452 employer for the purposes of the federal Internal Revenue Service form W-2, the client shall
1453 continue to qualify for the benefit, incentive or credit. If the grant or amount of any benefit,
1454 incentive or credit is based on number of employees, then each client shall be treated as
1455 employing only those covered employees involved in a PEO relationship by such client. Covered
1456 employees working for other clients of the PEO shall not be counted. Each PEO shall provide,
1457 upon request by a client or by agency employment information reasonably required for

1458 administration of any tax credit or economic incentive and necessary to support any request,
1459 claim, application or other action by a client seeking any tax credit or economic incentive.

1460 (b) With respect to a bid, contract, purchase order or agreement entered into with the
1461 commonwealth or a political subdivision thereof, a client company's status or certification under
1462 federal or state law as a small, minority-owned, disadvantaged, woman-owned business or other
1463 underutilized class of enterprise shall not be affected because the client company has entered into
1464 a PEO relationship.

1465 Section 196. (a) Except as otherwise provided in sections 192 to 203, inclusive, no person
1466 shall provide, advertise or otherwise hold itself out as providing professional employer services
1467 in the commonwealth, unless such person is registered pursuant to this section.

1468 (b) Each applicant for registration shall provide the department with the following
1469 information: (i) the name or names under which the PEO conducts business or will conduct
1470 business; (ii) the address of the principal place of business of the PEO and the address of each
1471 office it maintains in the commonwealth; (iii) the taxpayer or employer identification number of
1472 the PEO; (iv) a list by jurisdiction of each name under which the PEO has operated in the
1473 preceding 5 years, including any alternative names, names of predecessors and, if known,
1474 successor business entities; (v) a statement of ownership, which shall include the name and
1475 evidence of the business experience of any person that, individually or acting in concert with one
1476 or more other persons, owns or controls or will own or control if known or reasonably known at
1477 the time of registration, directly or indirectly, not less than 25 per cent of the equity interests of
1478 the PEO; (vi) a statement of management, which shall include the name and evidence of the
1479 business experience of any person who serves or will serve, if known or reasonably known at the

1480 time of registration, as president, chief executive officer or otherwise has the authority to act as
1481 senior executive officer of the PEO; (vii) A financial statement setting forth the financial
1482 condition of the PEO or PEO group; provided, however, that at the time of application for a new
1483 license, as part of the financial statement, the applicant shall submit an audit of the applicant,
1484 which shall be the most recent audit available and shall not be more than 13 months old;
1485 provided further, that nothing in this clause shall be construed as to require the department to
1486 conduct the audit; provided further, that a PEO or PEO group shall file on an annual basis, at the
1487 time of renewal, a succeeding audit; provided further, that an applicant may apply for an
1488 extension with the department but any such request shall be accompanied by a letter from the
1489 auditors stating the reasons for the delay and the anticipated audit completion date; provided
1490 further, that the financial statement shall be prepared in accordance with generally accepted
1491 accounting principles and the audit shall be conducted by an independent certified public
1492 accountant licensed to practice in the jurisdiction in which such accountant is located and shall
1493 be without qualification as to the going concern status of the PEO; provided further, that a PEO
1494 group or a PEO that is part of an organizational structure in which it is majority owned or
1495 commonly controlled by an entity, parent or controlling person may submit combined or
1496 consolidated audited financial statements to meet the requirements of this section; and provided
1497 further, that a PEO that has not had sufficient operating history to have audited financials based
1498 upon not less than 12 months of operating history shall meet the financial capacity requirements
1499 in subsections (l) and (m) and shall present financial statements reviewed by a certified public
1500 accountant; and (viii) a list of clients including client name, physical address, telephone number
1501 and federal identification number.

1502 (c) A PEO shall complete its initial registration prior to initiating operations within the
1503 commonwealth. If a PEO that is not registered in the commonwealth becomes aware that an
1504 existing client not based in the commonwealth has employees and operations in the
1505 commonwealth, the PEO shall decline to provide PEO services for those employees or notify the
1506 department within 5 business days of its knowledge of the fact and file a full business
1507 registration within 5 business days if there are more than 15 covered employees. The department
1508 may issue an interim operating permit for the period the registration applications are pending if:
1509 (i) the PEO is currently registered or licensed by another state; and (ii) the department
1510 determines it to be in the best interests of the potential covered employees.

1511 (d) Upon expiration of its registration, the registrant shall renew its registration by
1512 notifying the department of any changes in the information provided in the registrant's most
1513 recent registration or renewal. A registrant's existing registration shall remain in effect during the
1514 pendency of a renewal application.

1515 (e) PEOs in a PEO group may satisfy the reporting and financial requirements established
1516 pursuant to this section on a combined or consolidated basis; provided, however, that each
1517 member of the PEO group shall guarantee the financial capacity obligations pursuant to clause
1518 (vii) of subsection (b) for each member of the PEO group. In the case of a PEO group that
1519 submits a combined or consolidated audited financial statement, including entities that are not
1520 PEOs or that are not in the PEO group, the controlling entity of the PEO group under the
1521 consolidated or combined statement shall guarantee the obligations of the PEOs in the PEO
1522 group.

1523 (f) A PEO that is part of an organizational structure in which it is majority owned or
1524 commonly controlled by an entity, parent or controlling person may submit a combined or
1525 consolidated audited financial statement provided the controlling entity under the consolidated or
1526 combined statement guarantees the obligations of the PEO.

1527 (g) The department shall maintain a list of PEOs registered pursuant to this section and
1528 shall make the list readily available to the public by electronic or other means.

1529 (h) The department may prescribe forms necessary to promote the efficient
1530 administration of this section.

1531 (i) Applications, documents, reports and other filings shall be submitted in a manner
1532 determined by the director, which may also include the acceptance of electronic filings and other
1533 assurance by an independent and qualified assurance organization approved by the director that
1534 provides satisfactory assurance of compliance acceptable to the director consistent with or in lieu
1535 of the requirements of subsections (b) to (g), inclusive, subsection (k) and other requirements of
1536 sections 192 to 203, inclusive. The director shall permit a PEO to authorize such an approved
1537 assurance organization to act on the PEO's behalf in complying with the registration
1538 requirements pursuant to this section, including electronic filings of information and payment of
1539 registration fees. Use of such an approved assurance organization shall be optional and not
1540 mandatory for a registrant. Nothing in this subsection shall limit or change the department's
1541 authority to register or terminate registration of a professional employer organization or to
1542 investigate or enforce this chapter.

1543 (j) All records, reports and other information obtained from a PEO for the purposes of
1544 this section shall, except to the extent necessary for the department's proper administration of

1545 this chapter, be confidential and shall not be published or open to public inspection except to
1546 public employees in the performance of their public duties or otherwise in accordance with
1547 federal or state law.

1548 (k) The department shall establish by regulation any fee to be charged for initial
1549 registration, renewal or group registration.

1550 (l) Except as provided by subsections (e) and (f), each PEO or collectively each PEO
1551 group shall maintain: (i) positive working capital, as defined by generally accepted accounting
1552 principles, proof of which shall be submitted at registration as reflected in the financial
1553 statements submitted to the department with the initial registration and each annual renewal; and
1554 (ii) a surety bond in the amount of \$250,000, proof of which shall be submitted at the time of
1555 registration; provided, however, that the surety bond required shall be in a form acceptable to the
1556 director and maintained while the license remains in effect or any obligations or liabilities of the
1557 registrant remain outstanding.

1558 (m) A PEO or PEO group without positive working capital may provide a bond,
1559 irrevocable letter of credit or securities with a minimum market value equaling the deficiency
1560 plus \$250,000. Such bond shall be held by a depository designated by the department, securing
1561 payment by the PEO of all taxes, wages, benefits or other entitlement due to or with respect to
1562 covered employees, if the PEO does not make such payments when due.

1563 Section 197. (a) Except as specifically provided in sections 192 to 203, inclusive, and in
1564 the professional employer agreement pursuant to this section, or under any subsequent written
1565 agreement or amendment, in each PEO relationship: (i) the client shall be entitled to exercise all
1566 rights, and shall be obligated to perform all duties and responsibilities, otherwise applicable to an

1567 employer in an employment relationship; (ii) the PEO shall be entitled to exercise only those
1568 rights, and obligated to perform only those duties and responsibilities, specifically required
1569 pursuant to sections 192 to 203, inclusive, or those set forth in the professional employer
1570 agreement; provided, however, that the rights, duties and obligations of the PEO with respect to
1571 any covered employee shall be limited to those arising pursuant to the professional employer
1572 agreement and those required pursuant to this chapter during the term of the PEO relationship
1573 with such covered employee; and (iii) unless otherwise expressly agreed to by the PEO and the
1574 client in a professional employer agreement, the client retains the exclusive right to direct and
1575 control the covered employees as is necessary to conduct the client's business, to discharge any
1576 of the client's fiduciary responsibilities or to comply with any licensure requirements applicable
1577 to the client or to the covered employees.

1578 (b) Except as specifically provided in sections 192 to 203, inclusive, the PEO relationship
1579 between the client and the PEO, the relationship between the PEO and each covered employee
1580 and the relationship between the client and each covered employee shall be governed by the
1581 professional employer agreement.

1582 Each professional employer agreement shall include: (i) the allocation of rights, duties
1583 and obligations as described in subsection (a); (ii) the extent that the PEO has assumed
1584 responsibility in the professional employer agreement to (A) pay such wages to covered
1585 employees, (B) withhold, collect, report and remit payroll-related and unemployment taxes; and
1586 (C) make payments for employee benefits for covered employees; and (iii) a statement that the
1587 PEO shall have a right to hire and terminate a covered employee as may be necessary to fulfill
1588 the PEO's responsibilities pursuant to sections 192 to 203, inclusive, the professional employer

1589 agreement or as actually delegated by the client; provided, however, that the client shall have a
1590 right to hire, discipline and terminate a covered employee.

1591 (c) Upon initiation of the PEO relationship: (i) the PEO shall provide the client a notice;
1592 (ii) the client shall post said notice in a conspicuous place at the client's worksite; and (iii)
1593 depending on the customary way that the client communicates with its employees, the client
1594 shall provide a hard copy or an electronic copy of the notice to the employees. The notice shall
1595 contain: (A) notice of the general nature of the co-employment relationship between and among
1596 the professional employer organization, the client and such covered employees, including the
1597 rights, responsibilities and duties that the PEO and the client have with respect to the covered
1598 employees; (B) the name and telephone number of the department; (C) the name and telephone
1599 number of the PEO; (D) disclosure if the benefit plan is self-funded or is not fully insured; (E)
1600 the name of the workers' compensation carrier and the policy number; (F) whether the PEO or
1601 the client maintains the workers' compensation policy and performs safety inspections at the
1602 workplace; (G) a phone number or contact to report injuries and hazardous worksite conditions;
1603 and (H) a multilingual tagline on the notice provided by the department in languages required
1604 under clause (iii) of subsection (d) of section 62A of chapter 151A that includes the name and
1605 telephone number of the department and states that the notice contains important information
1606 that should be translated.

1607 (d) Upon termination, and in accordance with applicable federal and state law, the PEO
1608 shall provide covered employees with written notice of the termination of the PEO relationship.
1609 The notice may be provided electronically if that is the customary manner in which the client and
1610 the PEO communicate with the covered employee.

1611 (e) Except to the extent otherwise expressly provided by the applicable professional
1612 employer agreement: (i) a client shall be solely responsible for the quality, adequacy or safety of
1613 the goods or service produced or sold in the client's business; (ii) a client shall be solely
1614 responsible for directing, supervising, training and controlling the work of the covered
1615 employees with respect to the business activities of the client and solely responsible for the acts,
1616 errors or omissions of the covered employees with regard to such activities; (iii) a client shall be
1617 solely responsible for the payment of any wages to covered employees and to make payments for
1618 employee benefits for covered employees; (iv) a client shall be solely responsible for safety, risk
1619 and hazard control at the worksite and compliance with related state and federal laws; (v) upon
1620 termination of the PEO relationship, the client shall be solely responsible for providing
1621 employees with information regarding the handling of claims and benefits; (vi) a client shall not
1622 be liable for the acts, errors or omissions of a PEO, or of any covered employee of the client and
1623 a PEO, when such covered employee is acting under the express direction and control of the
1624 PEO; (vii) a PEO shall not be liable for the acts, errors or omissions of a client, or of any covered
1625 employee of the client, when such covered employee is acting under the express direction and
1626 control of the client; (viii) nothing in this subsection shall serve to limit any contractual liability
1627 or obligation specifically provided in the written professional employer agreement; (ix) a
1628 covered employee shall not be, solely as the result of being a covered employee of a PEO, an
1629 employee of the PEO for purposes of general liability insurance, fidelity bonds, surety bonds,
1630 employer's liability that is not covered by workers' compensation or liquor liability insurance
1631 carried by the PEO unless the covered employees are included by specific reference in the
1632 professional employer agreement and applicable prearranged employment contract, insurance
1633 contract or bond; (x) nothing in this section shall in any way limit the liabilities and obligations

1634 of any PEO or client to covered employees as required by this chapter; (xi) the client shall be
1635 solely responsible for notifying the PEO of all covered employees; provided, however, that
1636 where the client has failed to notify the PEO, the client will be deemed to be the sole employer of
1637 the employee; and (xii) the client shall retain all records in compliance with state and federal law
1638 including, but not limited to, section 52C of chapter 149, section 15 of chapter 151 and 29 CFR
1639 Part 516; provided, however, that if an obligation under this clause is allocated to a PEO under
1640 the professional service agreement, the PEO shall disclose to a covered employee, upon request,
1641 the documents retained under this clause as required by state and federal law.

1642 Section 198. (a) A tax assessed or an assessment or a mandated expenditure on a per
1643 capita or per employee basis shall be assessed against the client for covered employees and
1644 against the PEO for its employees who are not covered employees involved in a PEO
1645 relationship with a client. Benefits or monetary consideration that meet the requirements of
1646 mandates imposed on a client and that are received by covered employees through the PEO
1647 through payroll or through benefit plans sponsored by the PEO shall be credited against the
1648 client's obligation to fulfill such mandates.

1649 (b) If there is a tax or an assessment imposed or calculated upon the basis of total payroll,
1650 the PEO shall be eligible to apply any small business allowance or exemption available to the
1651 client for the covered employees for purpose of computing the tax.

1652 Section 199. (a) Workers' compensation shall be provided to covered employees at each
1653 client company either by the PEO or by the client company of the covered employee pursuant to
1654 chapter 152 and regulations promulgated pursuant to said chapter 152.

1655 (b) PEOs and clients shall comply with employer notice requirements pursuant to

2204 day of delay, to be recovered by the commissioner. The maximum penalty under this section
2205 shall be \$10,000. The commissioner may reduce the penalty if the insurer demonstrates to the
2206 commissioner that the imposition of the penalty would constitute a financial hardship to the
2207 insurer.

2208 Section 8. If any provision of this chapter except for section 5, or the application thereof
2209 to any person or circumstance, is held invalid, such determination shall not affect the provisions
